

SECRETARY OF THE SENATE  
09 JUL 27 PM 2:00

July 22, 2009

Senate Office of Public Records  
232 Hart Senate Office Building  
Washington, DC 20510

To Whom It May Concern:

The attached report is an amendment to Coburn for Senate 2010's (the Committee) 2009 July Quarterly report, filed on July 15, 2009.

In June, the Committee's software provider did a conversion of the Committee's financial data (for remote hosting purposes). Following the conversion process, some software and data discrepancies were found by the Committee which caused certain contributions to either not appear on the report, or to show an excessive election cycle-to-date total. These issues were not able to be resolved prior to the July 15 filing deadline and the second quarter report was filed to the best knowledge of the Committee as of July 15.

The data discrepancies have since been resolved with the Committee's software provider, and the Committee's July Quarterly has been amended to accurately reflect the Committee's contributions for the quarter and correct cash on hand at the close of June 30, 2009.

Sincerely,

Wade A. Stubbs, CPA  
Treasurer
